COMET

1952

GRANBY HIGH SCHOOL
NORFOLK, VIRGINIA
VOLUME XII

This is the first Granby yearbook to be called The Comet, but as far back as 1942 the term was used by the Norfolk newspapers in describing our football team. Granby has used a comet as its symbol ever since.

FOREWORD

To look through a student's wallet is to see him reflected. Season tickets, membership cards, snapshots, mementoes, news clippings, and sometimes money — all these combine to reveal the enthusiastic activity of school life. Hoping to bring enjoyment and understanding, our 1952 yearbook here displays the wallet of Johnny Comet.

Student Government Activities

In '49-'50 we started sending CARE boxes to Europe.

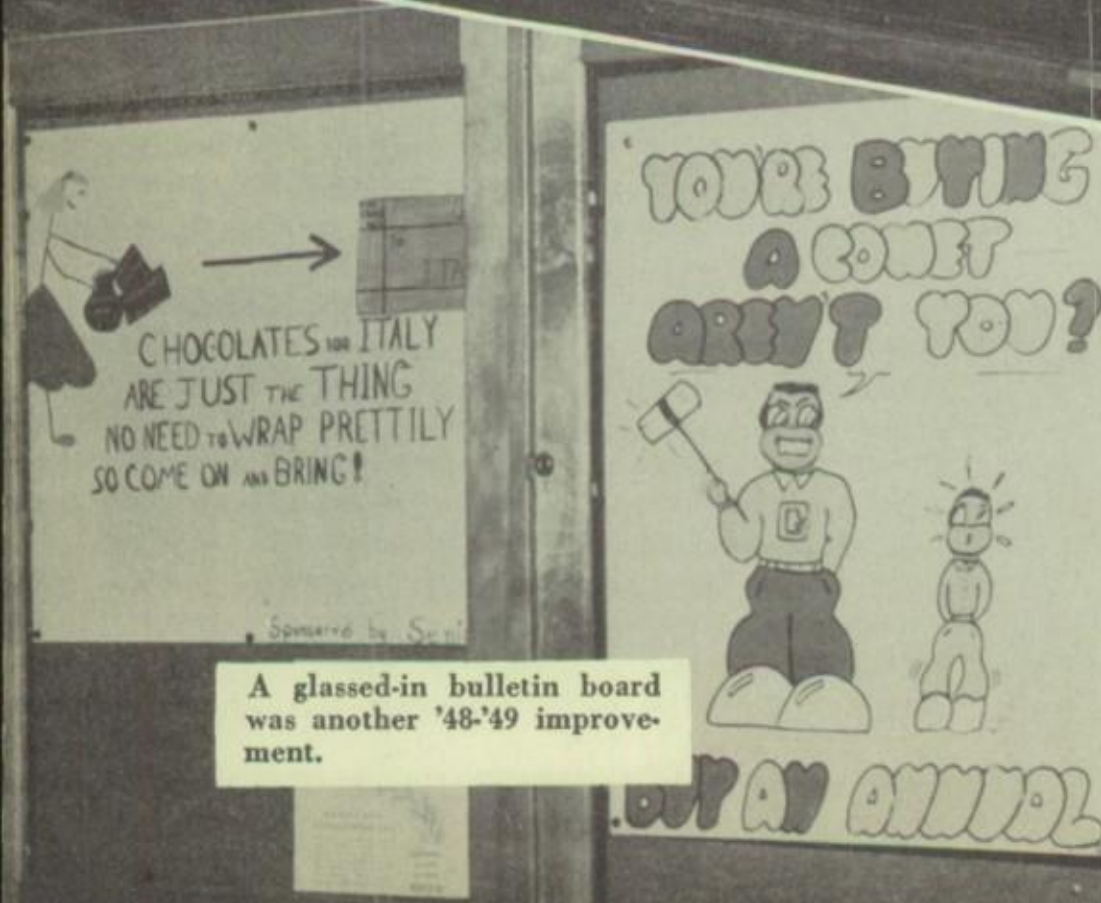

Our trophies were housed in a handsome case in '48-'49.

In 1948-49 we lighted our school cupola.

Eddie Eichelberger and Mr. Martin were sent to Cedar Falls, Iowa, to the National AAU wrestling tournament.

A glassed-in bulletin board was another '48-'49 improvement.

1948-49 saw a basketball clock go up in the gym.

Jane Deiotte and Nancy Schenck are bringing the bulletin board up to date.

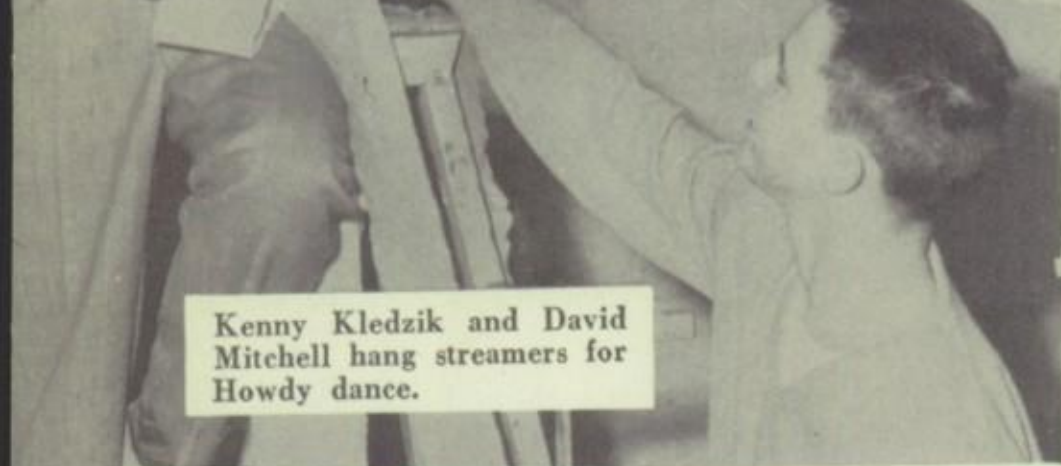

Barbara Marquess receives House of Representatives card from Veep Lee Dougherty. Charles Green holds card just given him.

1947-48 we put up our school name for all to see.

In 1950-51 we adopted Kostas, a Greek orphan, living in Athens.

Kenny Kledzik and David Mitchell hang streamers for Howdy dance.

Bertie Lee Thonton sells bus tickets to Sam Poore. Kenny Gimbert looks on.

'49-'50 newcomers were first to receive a Granby handbook showing them the ropes.

"Faculty Projections"

Most any teacher!

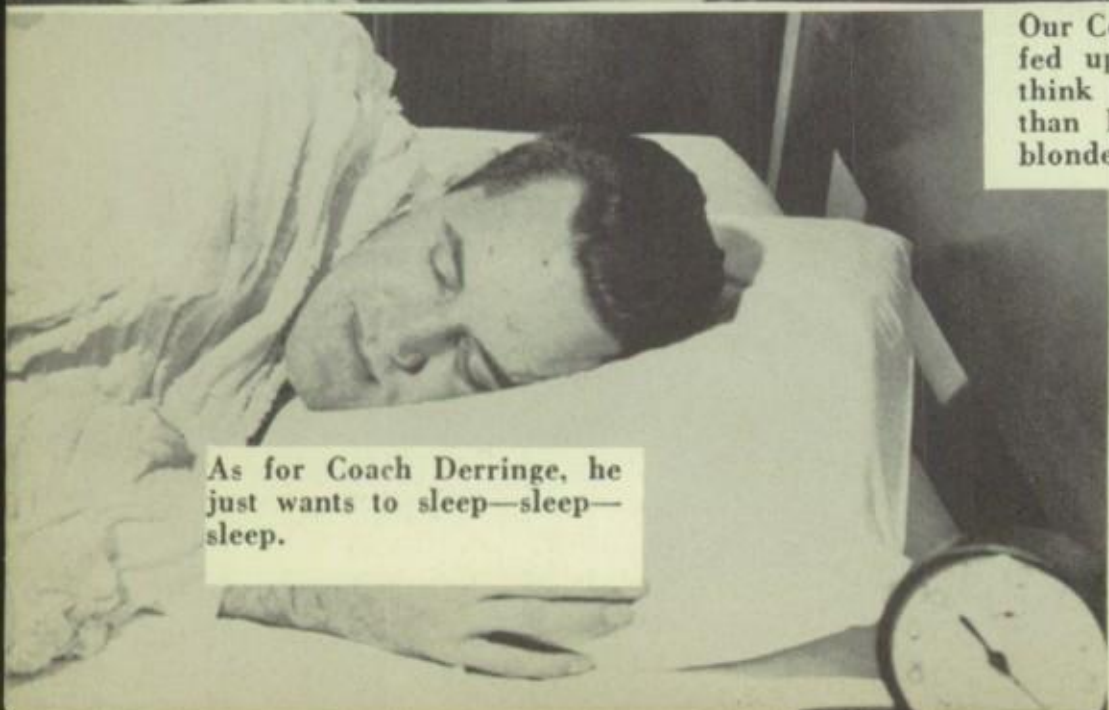

Our teaching Rockettes! Starting with the terpsichorean charmer on the left: Miss Whoopee White, Miss Bo-Bo Brock and Miss Toodles Tillette.

Miss Gregory is putting a stop to the hourly trek between gym and field.

As fire drill director, Miss Thompson isn't fooling.

As for Coach Derringe, he just wants to sleep—sleep—sleep.

Our Coach Griffin is secretly fed up with boys and can think of no better future than being surrounded by blondes.

Miss Burfoot's psychiatrist discovered that her introverted personality is caused by a suppressed desire to jerk sodas.

THE COMET

As people pass Granby at night and see lights burning, they probably suppose that a basketball game is going on or that the school is being cleaned for the next day's classes. Many of the Comet staff members wish this were true, for in hearing distance of the thuds of balls and yells of spectators, Miss Wilshin and part of her "mob" desperately design pages and choose pictures.

Why all these night meetings? The deadline must be met. Seniors, sophomores, juniors, all work together to produce a book that already has the reputation of being radically different. This is all the compensation needed for the hard work, long hours, and arousing disputes that occur.

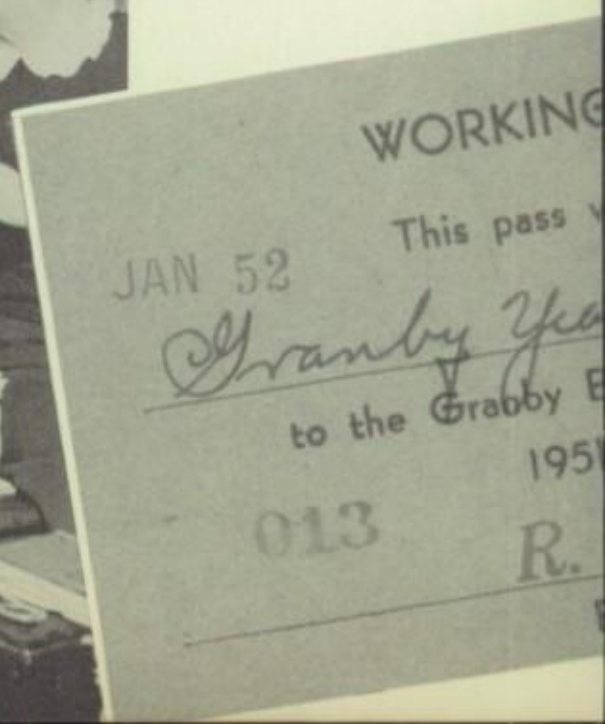

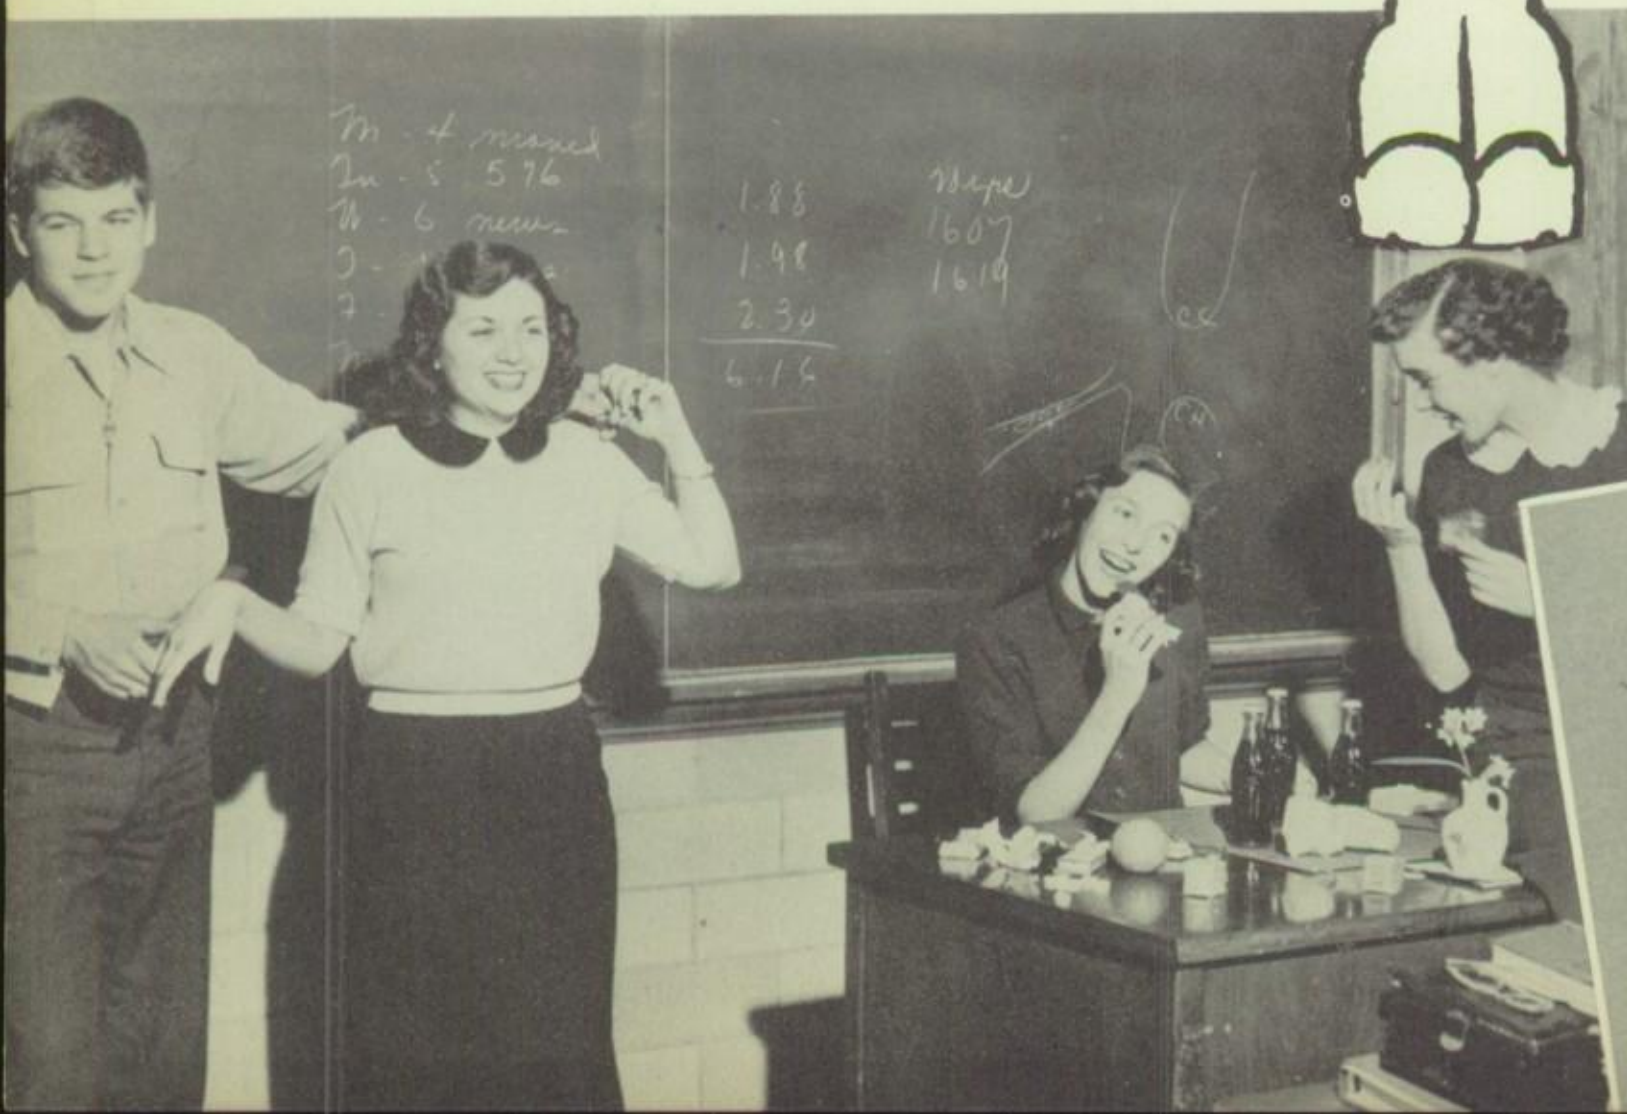

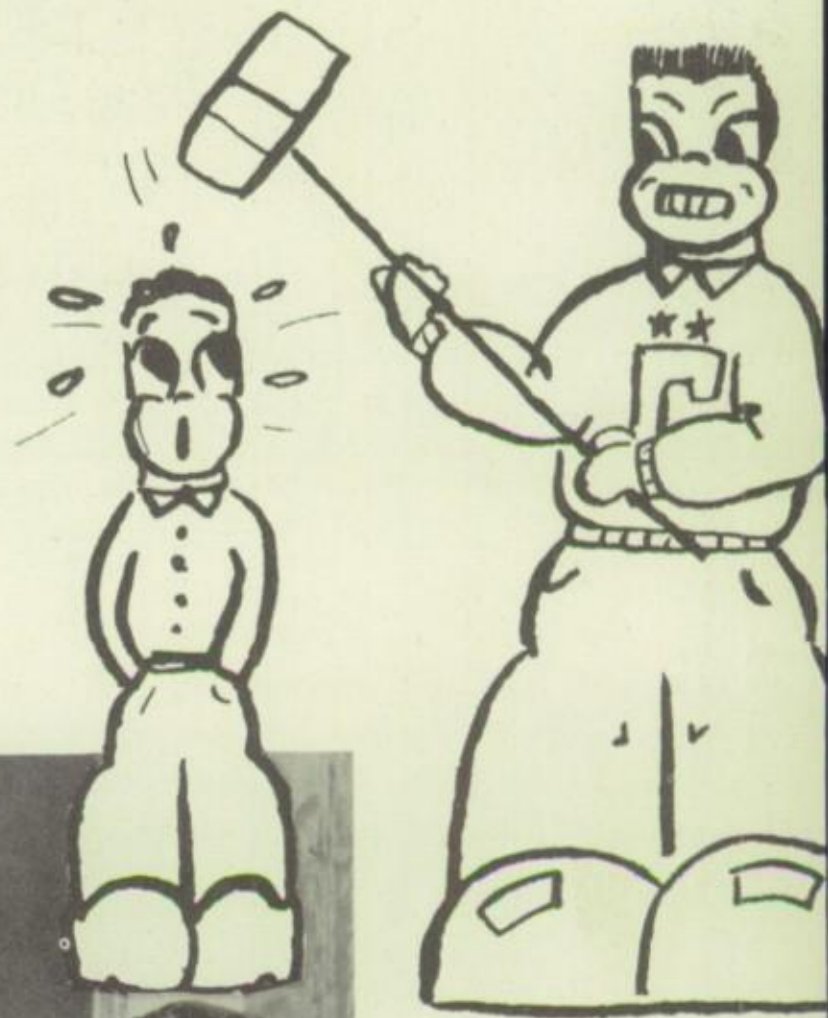

Our capable and resourceful co-editors, Pat Culpepper and Jane Stubbs.

"The Mob" is a term that has been applied to the annual staff this year by its editorial friend, the Spectator staff. We have been quite puzzled by this pseudonym. We find none of a mob's attributes in our calm, orderly, planned and peaceful little lives. On

the contrary, it is crystal clear to us why this nomenclature is appurtenant to *them*!

We hope that this issue of The Comet will mean a lot to all Granbyites and even to their children.

Staff photographers: Dunstan Wingfield, Alan Summers.

Largest Senior Hall of Fame

The Spectator's business staff quietly goes about its work without acclaim or notoriety—except those days when deliveries must be rushed to subscribers! This hard working group types articles for the paper;

makes mailing lists; distributes the papers to the various homerooms; and, in general, does the less spectacular and more mundane jobs that publishing a newspaper requires.

Ted Baynes, feature editor; Jean Burroughs, editor-in-chief, and Miss Helen Walker, faculty adviser, take a breather.

Miss Margaret Thompson and Pat Morford of the business staff gum up the works.

Terms like beats, copy, proof, cuts, make-up, and two of twenty-four are heard coming

from Room 112 on days nearing the deadline, when the *Spectator* goes to press. Busily keeping tab on news, the staff puts out the newspaper "under their own steam" under the friendly guidance of Miss Anna Rydingsvard and Miss Helen Walker.

GRANBY BAND

Whistle, two . . . three . . . four . . . How many times at those frosty morning rehearsals does each Granby bandsman hear this old familiar chant! "Line it up, gang!" shouts Bobby Stewart, the band's very competent and skilled captain, echoed by co-captain David Chestnut and Band Director Russell Williams. These chants can be heard before each of the band's spectacular performances at football games. The group also participates in assembly programs, pep rallies, and graduation exercises.

Last year the band was one of the few organizations chosen to play for the National Conference of the Southern Convention of Music Educators. It has led the state in the number of players selected for the All-State Band for the past four years.

No doubt you have heard of Granby's gala affair, the Kermesse, and of all the special attractions it brings—the crowning of a queen, visit from the French consul, and numerous side shows. But did you know that there is a purpose behind it all? The money gained by the Kermesse enables the club to support L'école de la Madeleine. Another climax of the "année française" is the lovely Christmas tea which has become as traditional as plum pudding and mistletoe—well—almost!

Through meetings conducted in French, the officers try to provide for "les élèves français" an opportunity to learn about France and her people.

Miss Sara Lee Hutchings, vital and energetic club sponsor.

LES CADETS

Pierre Schmidt, French Consul, crowning Barbara Buxton, Queen of the Kermesse.

Les Cadets, or little French brothers, are students taking the language for the first time. As their aims and purposes are similar to the "big" French club, they help out on joint projects such as supporting the French school and making the annual Kermesse "un grand succes"!

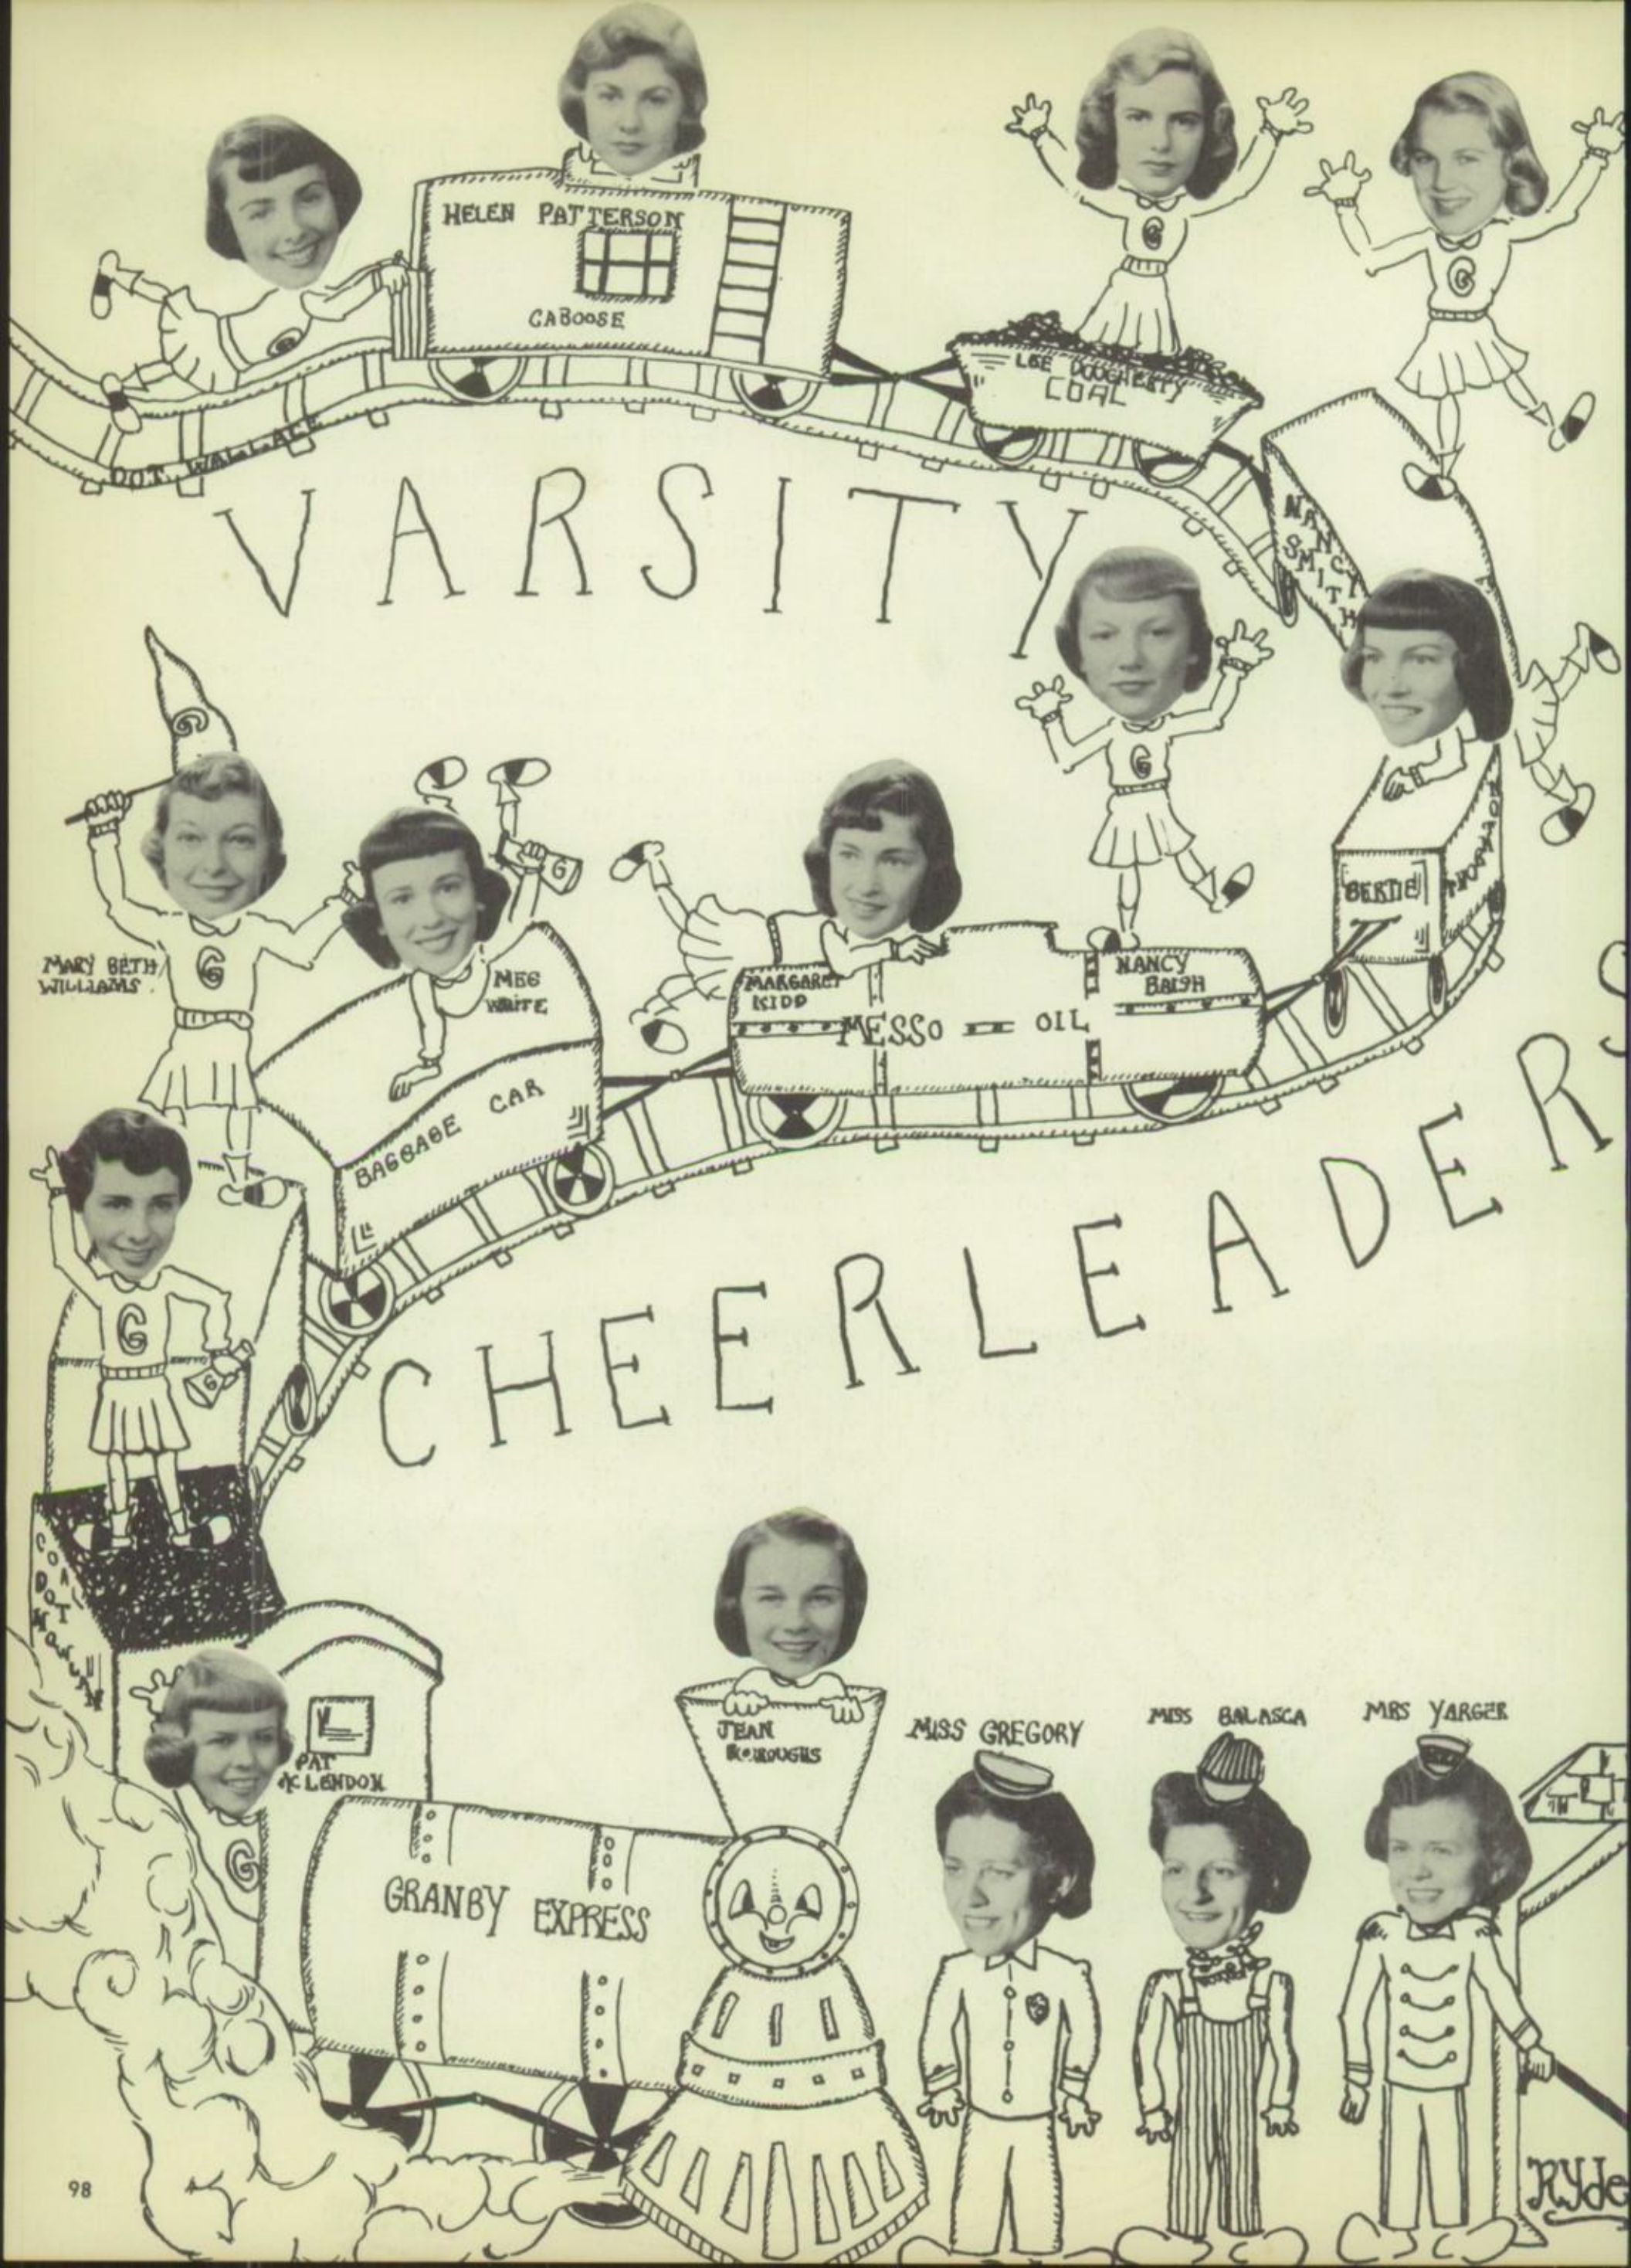

They have many interesting meetings at which French songs are sung and French slides viewed.

As a separate endeavor they send warm clothes to France and aid a needy family here in Norfolk. In these and other ways they attempt to put their knowledge to practical use so that next year they may take their places beside their big brothers and sisters in "Le Cercle Francais."

"Let's go, kids," starts a typical rehearsal of the Granby Senior Chorus. With an engaging smile, and a sparkle in her eye, Mrs. Eleanor Walden, our able director and pal, ever desirous of artistic perfection, inspires the chorus.

The boys' quartet, girls' sextette, vested choir, and the madrigal group are smaller groups within the eighty-voice chorus.

Singing for the student body, civic organizations, and church groups are a few of their many pleasures.

The officers are: Ben Tench, president; Marie Bogart, secretary; Ruth Anne White, assistant secretary; Margaret White, treasurer, and Dot Nowlan and Lee Dougherty, historians.

Senior Chorus

The repertoire of the Granby Girls' Sextette, quite a varied one, includes numbers from Bach to Gershwin. The songs are chosen by the students who were selected for their compatibility, personality, blend of voices, and talent.

The Boys' Quartet, specializing in "barber shop" songs, has given its time and talent for dances, civic clubs, and school programs. The quartet is a voluntary group with Mrs. Elliott as leader.

The Madrigal Singers know that when voices blend, hearts blend, too, and that there is a closeness that holds Madrigal Singers fast. The special charm of their sixteenth century songs pleases the singers as well as the listeners.

The Junior Chorus sings for assembly and gives a number of performances throughout spring. Approximately one hundred and fifty voices make up this group under the cooperative leadership of Mrs. Walden and Mrs. Elliott.

To grow as a person.

To grow in friendship with people of all races, religions, and nationalities.

To grow in the knowledge and love of God.

JUNIOR Y TEENS

"The purpose of this organization is to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." This is the opening phrase of the Y.W.C.A. Purpose. The Junior Y-Teens, a branch of the Y.W.C.A., is an ideal club for all girls. Here there is fun, service, and fellowship. So be a girl who has this rule: "I'm a Junior Y-Teen of Granby High School."

HI-Y

The George Williams chapter of the Granby Hi-Y is sponsored by Mr. Paul Smith.

As in former years, the Hi-Y collected baskets of food for distribution to the under-privileged at Christmas time and gave the proceeds of the fall dance to the Joy Fund.

On the lighter side, but in answer to a felt need, the club campaigned for more enthusiastic school spirit by boosting pep rallies with the indispensable help of the Granby Band and cheerleaders.

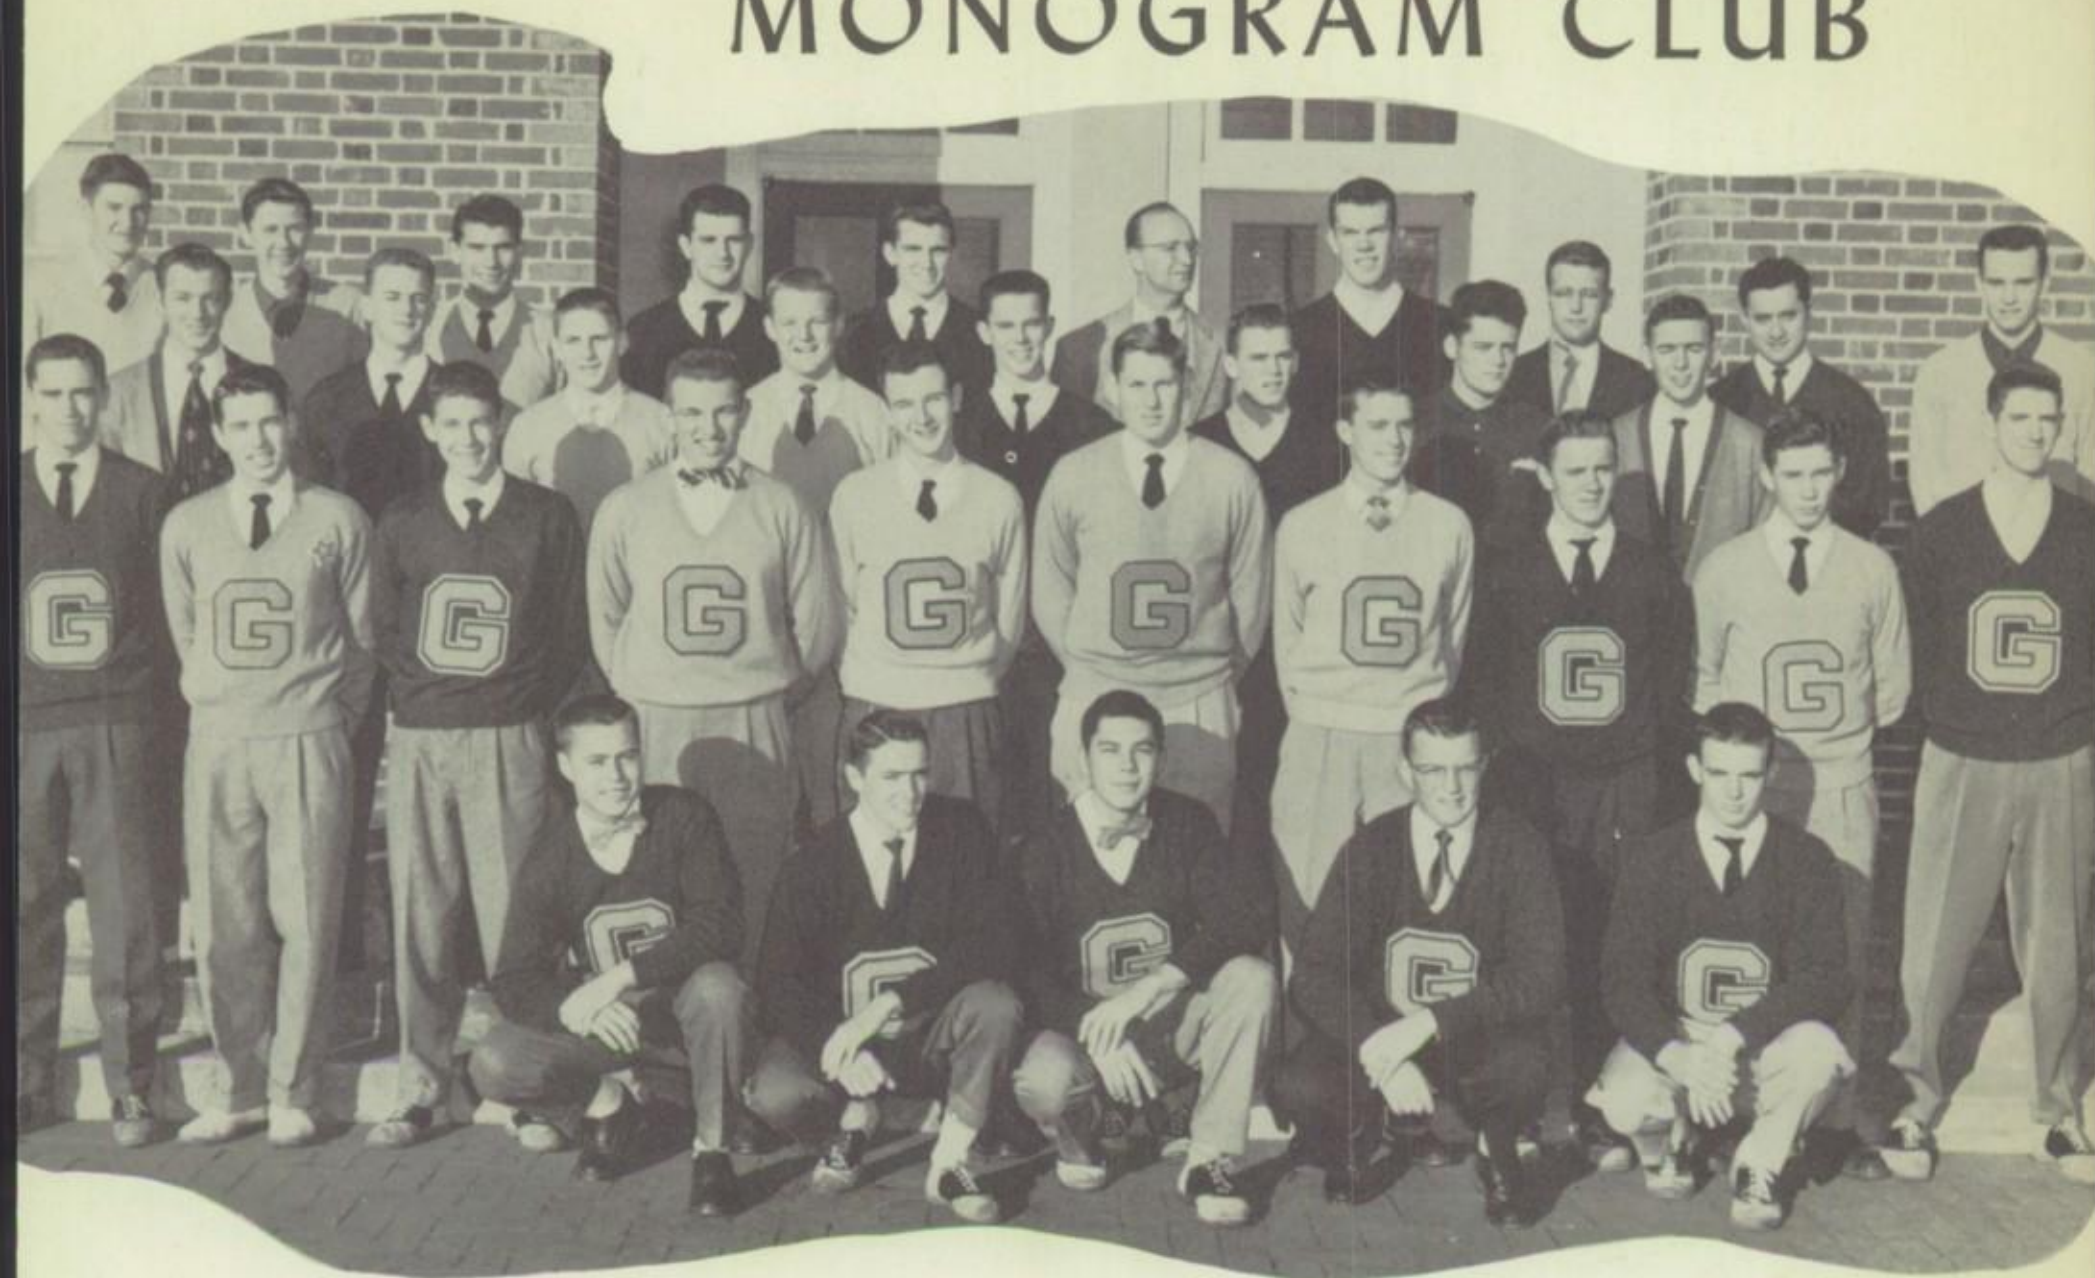

The stellar event of the year was the spring minstrel staged to raise additional funds for charitable endeavors.

The fun of producing the minstrel was as great as the fun the audience had seeing it.

The Monogram Club is made up of monogram winners and is one of Granby's oldest and most active. Again this year it sponsored many worthwhile school activities. It promoted one of our newly revived pep rallies, and pushed the sale of tickets for the Maury-Granby Turkey Day classic. Through its annual Turkey Hop it raised funds for the scholarship given every year to a former Granby boy needing help in college.

The barbecue and dance held at the Y Beach Club was great fun—better barbecue has never been served anywhere!

KEY CLUB

"Service to the school and community" is the main foundation of the Key Club. Around this theme all the projects which are many and varied are formed. An excellent float was entered by the Key Club in the Thanksgiving Day Parade. The French Cafe was the Club's booth in the Kermesse, and from this money a donation was made to the Joy Fund. The boys in the Club polished

all the trophies and acted as business managers for the Cue Club's production of the "Comedy of Errors." Something new was added this year—Allene Atkinson was chosen the first Key Club sweetheart!

Mr. E. O. Burroughs is the Kiwanis sponsor. Two boys from the Club go down to the Kiwanis Club each week for a luncheon.

PAN AMERICAN LEAGUE

A bordo! Vamos al Peru! So this year we frequently find ourselves high up in the Andes exploring the Inca ruins at Cuzco or roaming through Lima, la capital. Yes, you have guessed it. Peru is our study project, and through interesting student programs and movies we feel much more familiar toward another of our Latin American neighbors. Nor can we forget the wonderful Spanish picture "Dios se lo pague," which we understood — surprisingly well!

GARDEN CLUB

Who'll fix the trophy cabinet? How did you make that big candle? These are some of the questions asked by the Granby Garden Club which meets each month under the direction of Miss Ione Wilshin of the Granby faculty and Mrs. Helen Booker of the Ellsworth Garden Club. This year the club has participated in the Kermesse, sponsored the demonstration on making Christmas decorations, and entered arrangements in the Norfolk Federation's spring and fall shows. As a new activity the club held a Christmas door contest and awarded prizes to the homerooms which had the most beautifully decorated doors.

QUILL AND SCROLL

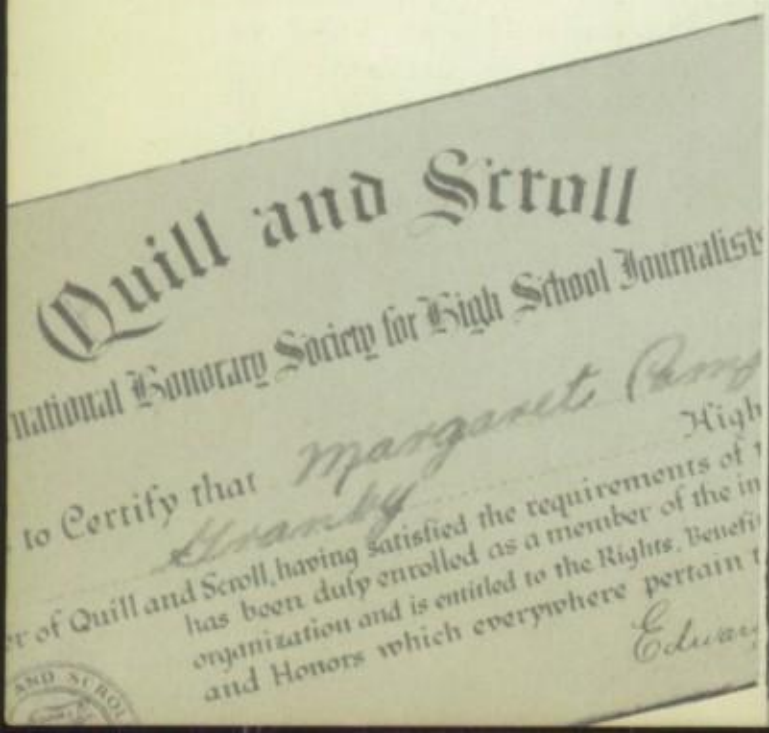

The Quill and Scroll Society, under the sponsorship of Miss Mary Cornelia Stahr, is a national honorary society for high school writers. To be eligible for membership in this club a student must accomplish outstanding writing for either the school newspaper or the school annual. New members are initiated into the club by an impressive

candlelight service. During the year the members write for various literary magazines and contests. Club members are frequently recipients of these competitive honors.

Meetings of the Quill and Scroll are characterized by visits of local literary figures and by a study of the members' achievements.

LITTLE UNITED NATIONS

The Little United Nations is a club devoted to furthering international relations and a better understanding of the United Nations. Having established "pen pals" in other countries, we write often. Studying foreign countries is one of the more interesting topics. The club also discusses the United Nations, supports food and clothing drives in the school, and enters United Nations essay contests.

The main purpose of the Creative Writing Guild is to gather together those students who are interested in any form of creative writing and give them the opportunity to present their work to the other members of the club for helpful criticism.

By entering the various literary contests throughout the year, the members learn through actual experience the joys and sorrows experienced by prospective authors.

The curtain goes up to the smell of greasepaint with the call of "curtain time," and the Cue Club goes into action. The point of weeks of preparation and rehearsal is then presented for the approval of the public.

Not all the Cue Club is on the stage when the curtain rises, but all of the members take part in some way. They're all bound by that magic phrase, "The show must go on."

JUNIOR RED CROSS REPRESENTATIVES

Granby's Junior Red Cross Council had one of its most active years in 1951-52. Starting with an annual membership campaign to enroll the school, it made cartoon books for hospitals and promoted a drive for a high school chest. It also aided in the city-wide blood donation program by publicizing it in the school.

First row, left to right: Glenda Ellington, president; Sylvia Leith, vice-president. Second row: Donald Frye, treasurer; Ted Baynes, public relations chairman; Carole White, secretary.

SCIENCE CLUB

Of what are the stars made? How do you focus a microscope? These and similar questions arise and are discussed at the meetings of the Science Club. A bi-weekly laboratory period and a monthly discussion period are among the many interesting activities of the organization. The construction of a telescope is the club project for the year.

First row, left to right: Bob Ferguson, Norman Hardin, president; Lee Brangdon, Jim Montgomery. *Second row:* Dick Ellington, treasurer; Jimmy Cratch, John Van Domelen, Bill Christy, Carl Anderson. *Third row:* Bill Shawcross, vice-president; Dunston Wingfield, Stuart Hughey, Dick Kienle.

FUTURE BUSINESS LEADERS OF AMERICA

To prepare the student for the business world by helping to promote better relations with others, developing skills and responsibility, thereby making better leaders, are the chief aims of the F.B.L.A. Chapter at Granby. The Granby Chapter is affiliated with the state and national organizations.

DISTRIBUTORS CLUB

The Distributors Club has as its purpose the development of a wider knowledge in the field of retailing. From time to time experts in various merchandising industries address the members.

One of the club's main activities this year was attending the Tidewater Area Convention of the Associated Distributor Clubs of Virginia, held in Williamsburg. Each year the most outstanding club function has been an employer-employee banquet.

First row, left to right: William Thigpen, Donald Porter, reporter; Roderic Lewis, Jack Holloway, president. *Second row:* Bud Phillips, Harold McGee, Joyce Blackwell, Shirley Perry, Jimmy McFadden. *Third row:* Mr. Brewster, sponsor; Earl Waterfield, Marlene Snell, vice-president; George Bunch, treasurer.

DEBATERS CLUB

One of the new clubs at Granby this year is the Debater's Club. It was organized to prepare a debating team to represent Granby in the State Literary Events. The subject this year is "Resolved, that all American citizens should be subject to conscription for essential services in the time of war."

Those not taking part in the debate will assist the participants by making suggestions and criticisms.

Under the sponsorship of Miss Mary Burfoot, the F.T.A. has had a very full and profitable first year at Granby. Because of the proximity of Granby Elementary School, they have been able to observe a few of the different primary and elementary classes, thus learning a great deal.

STAGE CREW

To keep Granby in tip-top shape is no easy job, but the Stage Crew are willing helpers. Three afternoons a week they remain after school to learn how to make recordings, repair electrical appliances, and operate lights. No stage production could run smoothly without them.

Goon Regulations—(1) A goon who misses a Red Skelton TV show at any time will receive 25 goon demerits. (2) Any goon making the fatal mistake of missing any presentation of Dean Martin and Jerry Lewis, will be expelled without consideration from the "Goons." (3) Any goon not taking part in any hilarity at any time in the school will be asked to turn in the official goon button.

FOOTBALL TEAMS

Climaxing the 1951 football season, the Blue Comets thumped Maury, 20-13, in the season's final. This is the first time in three years that a Granby aggregation has beaten its city rival. Granby had a small squad, as football teams go, but what they lacked in size they made up in spirit. Several incidents made this football season enjoyable, such as Ben Tench's losing battle with the belt of his pants. For the first time in a number of years a large group of spirited students, led by the cheerleaders, followed the team to most of the games.

Although the record shows that Granby's season wasn't too successful, the spirit of the students and team-like playing of the Blue Comets was something of which to be proud.

Frank Waff, Frank Brinn, Billy Dickerson, Billy Wilson, and Billy Tilling played excellent football throughout the year. They received recognition for this when selected for the all-state teams. Topping the scorers

for the Comets were Mickey Simpson, Billy Dickerson, and Billy Tilling.

In an undefeated season, the J.V.'s sported a fighting team. The main impression the J.V.'s left on the students was the fact that even though they were sparked by several stars, they played like a team, not eleven men. The team played the rough, sportsmanlike football that we can be proud of.

For the first time in Granby's history, the J.V.'s went undefeated. Rolling over three opponents and tying a fourth, the J.V.'s vied for top gridiron honors with the varsity, who won an upset victory over Maury.

Although the baby Blue Comets played with teamlike precision, they produced several outstanding players in Jim Snooks, the top scorer, Joe Leafe, Porgie Turner, John Biggs, and Jerry Van Story.

Hats off to our hustling teams!

By playing a slow, steady game, the Blue Comets provided the students with the type of basketball that they could follow. Instead of exclusively employing fast breaks for goals, they set up play patterns and worked them through. A foul or a lucky shot provided either the margin of victory or of defeat in many games the Comets played. It seems that the basketekers received more than their share of bad breaks. The team never was beaten by more than a few points and provided every opponent with stiff competition.

Where did it go?

Let's get together, boys.

Oh, well —

It's mine!

The Junior Varsity basketball team had an unusually good season. Using a fast break or a set-up play, depending upon the situation, the little Comets blazed through its schedule with ease. Playing heads-up ball the whole year, they capitalized on every possible break. An excellent starting team as well as a strong bench wore down their opponents with unceasing fight and speed. Playing on the J.V.'s provides valuable experience for the boys who will later be the mainstays on the varsity teams of the future.

Granby Wrestlers Win 32nd Straight

First row, left to right: Ernest Piercy, Joe Heller, Alfred Carson, Donald Frye, Vernard Garnier. Second row: Melvin McGinnis, Sherman Vandevender, Armond Taylor, Eddie Eichelberger, Billy Perry, Robert Swindell. Third row: Dan Brown, manager; Frank Brinn, Douglas Harless, Charles Goodwyn, Chuck Marshall, Stuart Wysocki, Fritz Berry, manager.

Granby retained the top position of scholastic wrestling in Virginia in 1952. Not being satisfied with beating most of the good high schools in the Old Dominion, the wrestlers journeyed to Lexington to defeat the V.M.I. J.V.'s and to Annapolis to defeat the Naval Academy Plebes. The meets weren't as close as the scores indicated. Although Mr. Martin lost four of his wrestlers through graduation, he developed the most skilled team in the history of Granby Wrestling.

A familiar scene at a wrestling match was watching one of the Granby boys pin his man. Eddie Eichelberger, Armand Taylor, Sher-

man Vandevender, Billy Perry and Melvin McGinnis were the outstanding wrestlers on the team. Eddie wrestled in the National A. A. U. tournament for the third straight year.

The grapplers tied the famous record of the '44-'46 football team at the meet with Navy, and then went on to eclipse this record by winning their 33rd consecutive meet with Jefferson Senior High of Roanoke.

We can well be proud of our wrestling team. They defeated the best teams in the state. Congratulations to a fighting group of wrestlers.

Swimming

Overcoming the obstacle of having to practice and swim their meets at the William and Mary Division Pool, Granby's tankmen have steadily improved. This year's squad is the strongest one in the four year swimming history of Granby. Dave Mitchell, breaststroke; Fred Griffith, 200 yard freestyle artist; and Kenny Kledzik, backstroke; returned from last year's team. A newcomer this year, Bill Perrott, proved to be the squad's most versatile merman. Bill holds Granby records in the 150 yard individual medley and the 100 yard dash. Other outstanding swimmers were David James, Tony Bargamin, and Dickie Davis.

Golf

Coach Ray Casey

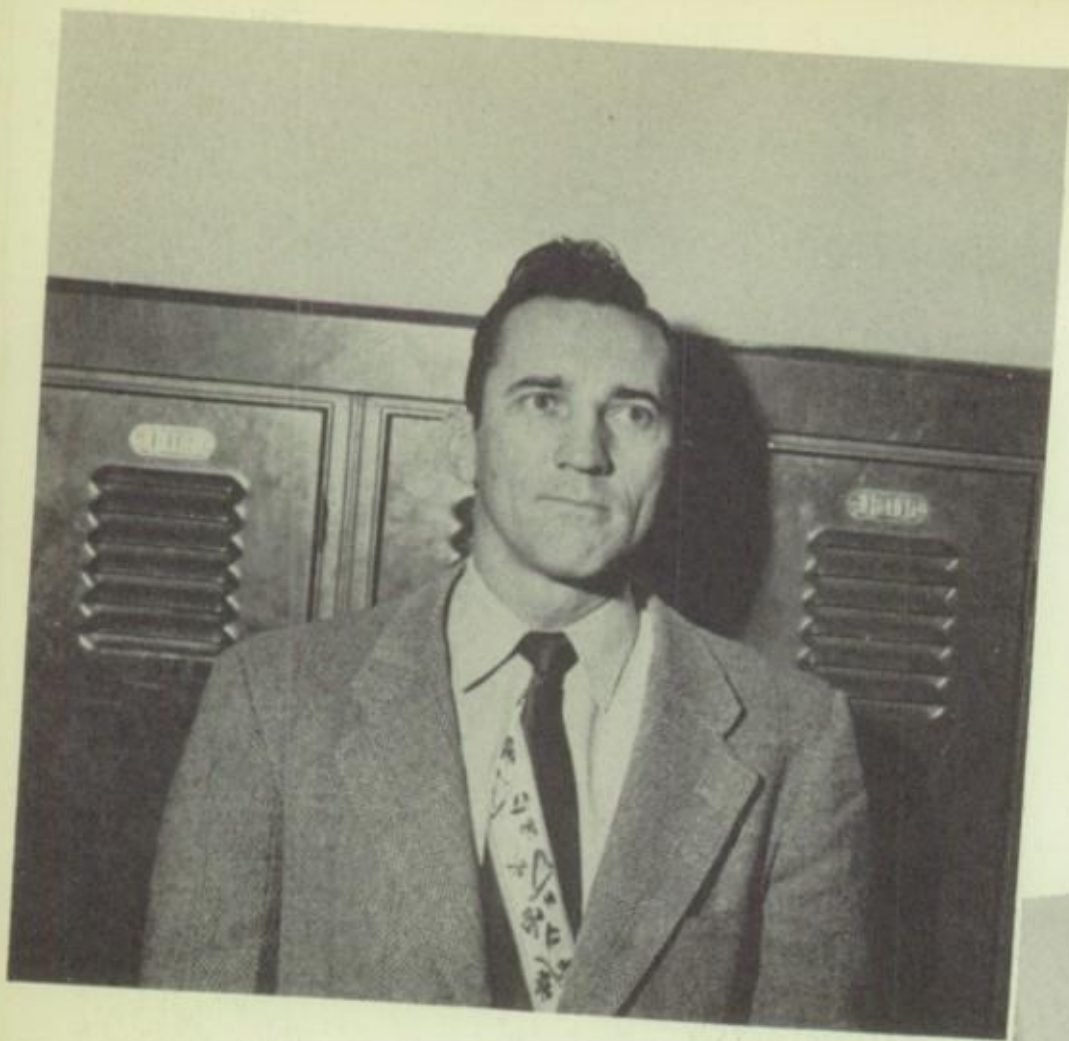

Granby climbed to the top of the golfing picture of the high schools in Virginia. Blazing through a 10 match schedule, the Blue Comets were undefeated. They handily defeated Maury, Central, Newport News, and Hampton, each twice. They completed their domination of high school teams by thumping Elizabeth City twice. The golfers rounded out a most successful season by winning the State High School Championships. Granby boasts of the individual State Champion, Frank Harris. Last year's squad was composed of two sets of brothers, Dick and Tom Coulson, and Frank and Tom Harris. Jack Rogers and Jimmie Hodges rounded out what proved to be Granby's best team.

Track

Last year's track team started in the middle of February with two indoor meets. Our high jumpers, De Lara, Cunningham, and Van Story, took second place in the state indoor contests while Buzzy Stewart took second place in pole-vaulting.

The trackmen started the season off right with a 104-9 win over South Norfolk. The tables were turned the next week as Newport News defeated Granby 91 $\frac{2}{3}$ to 201 $\frac{1}{3}$. At Norview the trackmen found themselves

again as they scored a 80-33 victory. Even though Gerald Van Story had 17 points, Wilson turned back Granby 72 $\frac{5}{6}$ to 401 $\frac{1}{6}$. The Blue Comets then trounced their arch-rival, Maury, 76 to 37.

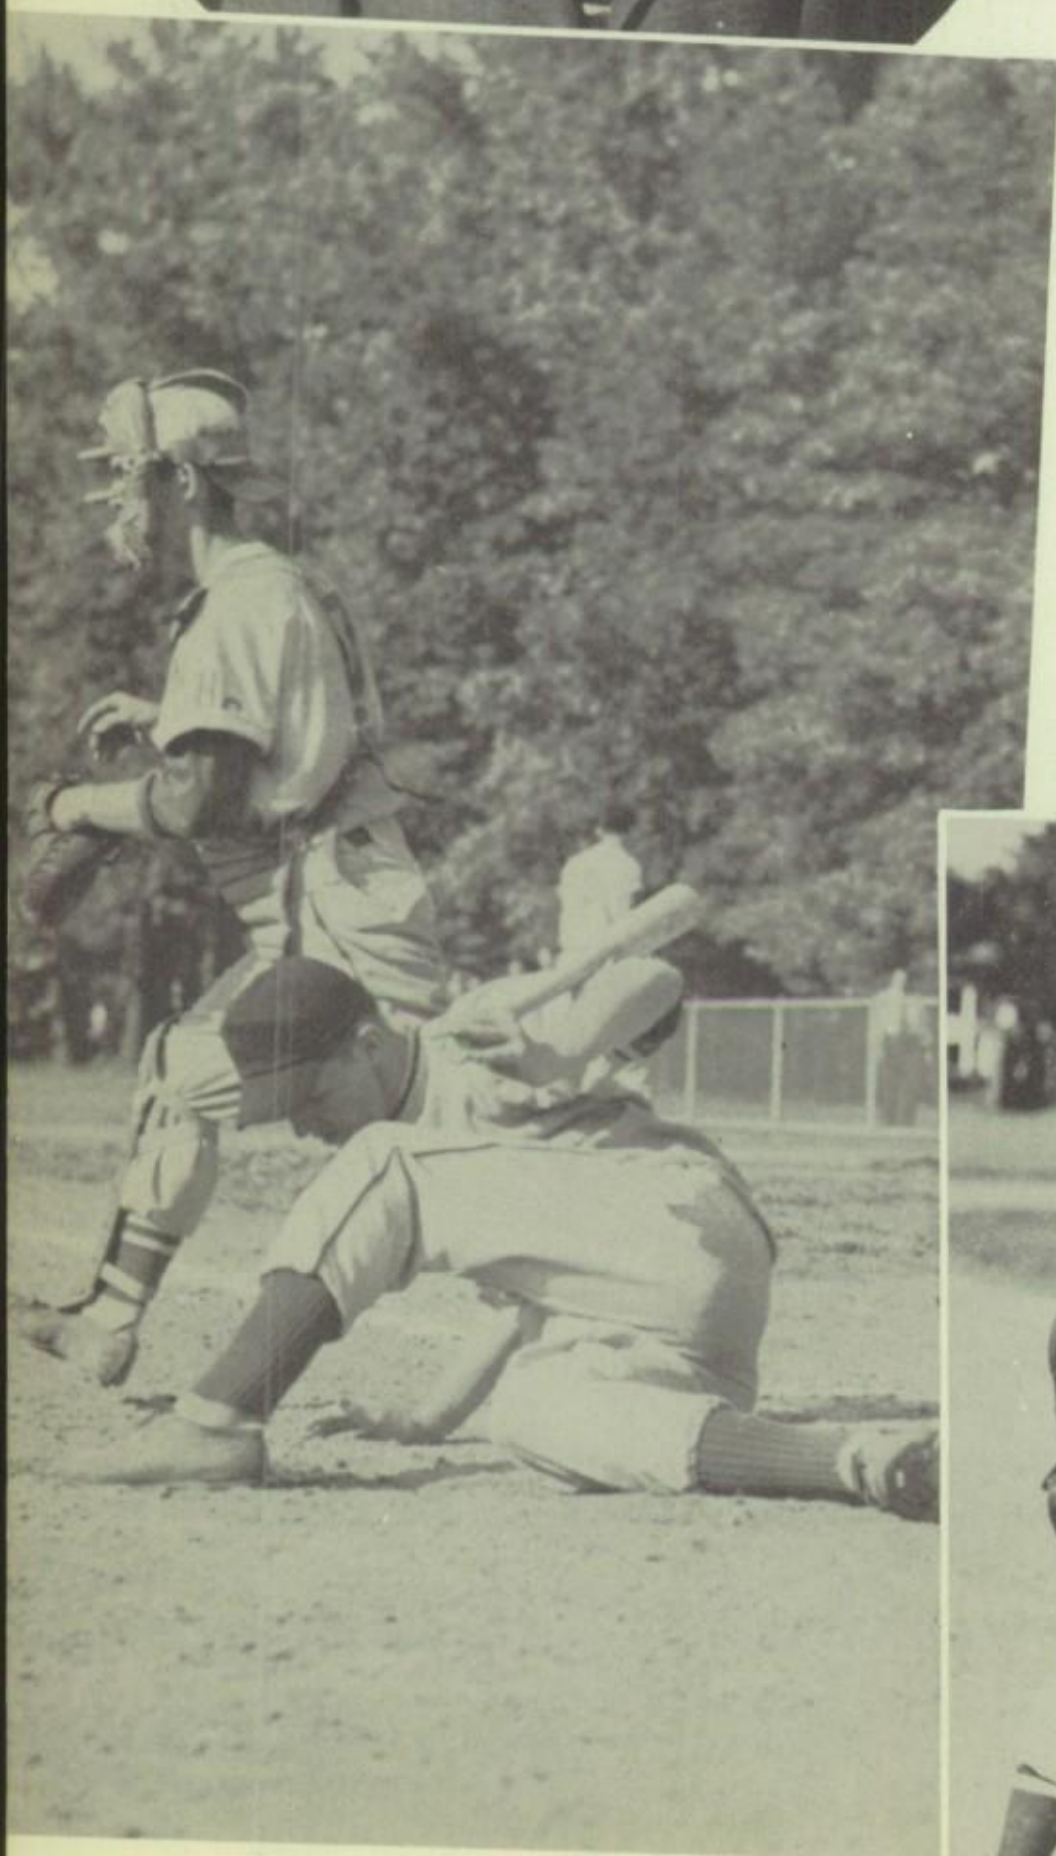

Placing in the state meet were Firing in 440, Van Story in high hurdles, high jumps, and broad jump. Stewart took second in pole-vaulting to round out the scoring. Van Story received an award for being the most outstanding track man of the city.

Girls' Sports

"Find your game and play it" is often heard in girls' sports at Granby High. A variety of activities is offered the junior and senior high school girls, such as dancing, volleyball, shuffleboard, ping-pong, hockey, horseback riding, and others; and as a result, even the physically handicapped can find her place in sports.

Excellent sportsmanship is displayed by all the girls and they work harmoniously in all activities.

Intramural certificates and other awards are given participants who display good sportsmanship and who meet the requirements of the award committee.

Every student that participated in this activity was rewarded with an intramural certificate.

For the past three years the teachers of the Norfolk schools have had a bowling league at the Maple Lanes. Last year a trophy was awarded for the best team. HAVE YOUR PHOTOGRAPH TAKEN

Well, what do we have here? Why, it's Jimmy Tickle, Martha Lou Small, and Mary Lou Fiala. Fancy meeting them here, but like all wise Granbyites, they know where to have their photographs made. At Smith and Welton's Mrs. Chisholm can always do justice to your features and in cases like these, maybe she can even flatter them!! Ya know what? The prices are so right. Not only in the photography studio is this so, but throughout the entire store, you can be sure you will receive the best possible returns with a maximum of service. Smith and Welton's goes all out to please you with charge accounts, the lay-a-way plan, prompt delivery, and C.O.D. services. Are you convinced? Well, let's remember also their kindness in aiding Granbyites in the decoration of the gym for the Club Miami dance. We all agree Smith and Welton's is just tops!!

"Has anybody got a bus ticket?" "Are you going on the City Hall bus today?" are questions that are heard quite frequently in the halls of Granby. After one of those hard days of school when you think the 3:15 bell will never ring, every Granbyite has a soft place in his heart for that Va. Transit bus that is going to take him to home sweet home. Regardless of rain, snow, sleet, or hail, they are always there waiting patiently for us. Marie Bogart and Cookie Morriss know how really swell those bus drivers can be too, with us screaming, yelling teenagers. Have you ever lost anything on the bus? Well, many of us have, and we know what a peach they can be and how understanding and willing to help find the most trivial things.

Therefore, we want to thank them from deep down inside for being so kind and generous to us all year. Our hats go off to the Virginia Transit Company.

Do you feel ready to drop dead? Do you have a feeling that sometime soon you will be assassinated by a green-eyed monster? Worry no longer, my friend; see Mr. Roy Parsons of Pilot Life Insurance Company. Here Virginia Kidd and Shirley Miles are learning how to take out policies and the usefulness and importance of having protection. Anyone who desires to know anything about insurance should hunt no longer for someone with whom to talk. At Pilot you will receive complete cooperation and friendly service. Don't be half-safe; don't wait any longer.

Mr. Saunders at the ticket office has become a familiar sight to seniors, juniors, and sophomores. As the student stops by, this helpful friend glances at his hands and slips on a ring that almost always fits on the first try. "Name please? Where would you like to pick up your ring?" And with a pleasant smile he finishes your order. Easy? Yes, and what a good feeling it is to finally receive your Granby class ring and proudly show it to your friends. You see visions of yourself graduating and immediately assume the dignity befitting the owner of a ring. Everytime we wash dishes we carefully remove our rings, because we want to keep them new and bright. Truly Mr. Saunders is a vital part of our school and we thank him for understanding the wishes of Granby students.

John Copeland, Jr., who is showing Dixie Wilkins his father's cars at the John Copeland Motor Co., hopes to follow in his father's footsteps after he finishes college. John Copeland, Sr., who has been selling cars to satisfied customers for nineteen years, invites you to come to his "Home of Quality Automobiles" located on Granby at 36th Street across from City Park. Buy your next automobile from Johnny Copeland and you, too, will be one of his satisfied customers:

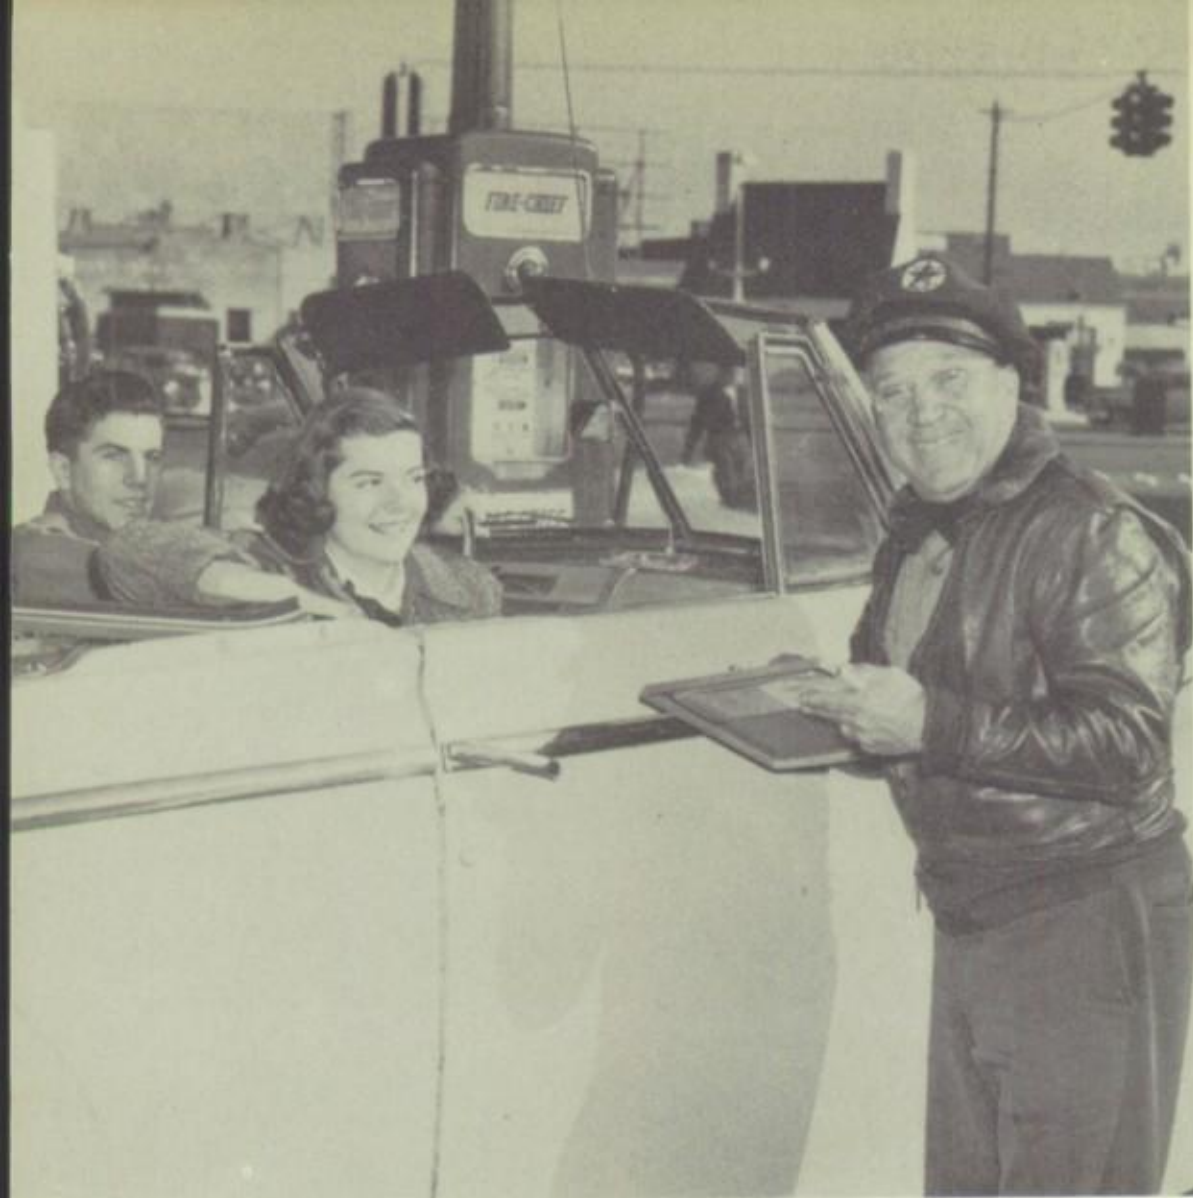

In the market for a Comet convertible?

How's your radio personality?

Josh Barry, WNOR's sports announcer, gets acquainted with Carlos Romubio and Ralph Law, two of Granby's star athletes. WNOR has covered Granby's football and basketball games this season, as well as provided Granbyites with popular music on the Bob Story and Paul Henning shows. Ted Harding's morning show has dragged many a sleepy Granbyite out of his warm bed on a cold morning. But whether it's music, news or sports, WNOR's your best bet.

"Hey, Joe, this jalopy is getting low on gas. We better head for Edelblute's." This is a typical situation among Granby car owners, and they have found that Edelblute's is the place for good and smiling service. On the corner of Sewells Point and Granby, it is a central location for those living in this area, and students find an understanding friend in Mr. Edelblute whose son attended Granby. Pleasant faces and convenience await the customer here.

Wanna tank of gas?

How're you fixed for groceries?

These Granby students! Always buying food—and from the best places in town, too. Dot and Larry agree that the Cavalier Grocery is definitely the place to buy food. The choice is large, the prices are "Right" and the owner of Cavalier Grocery is anxious to please you.

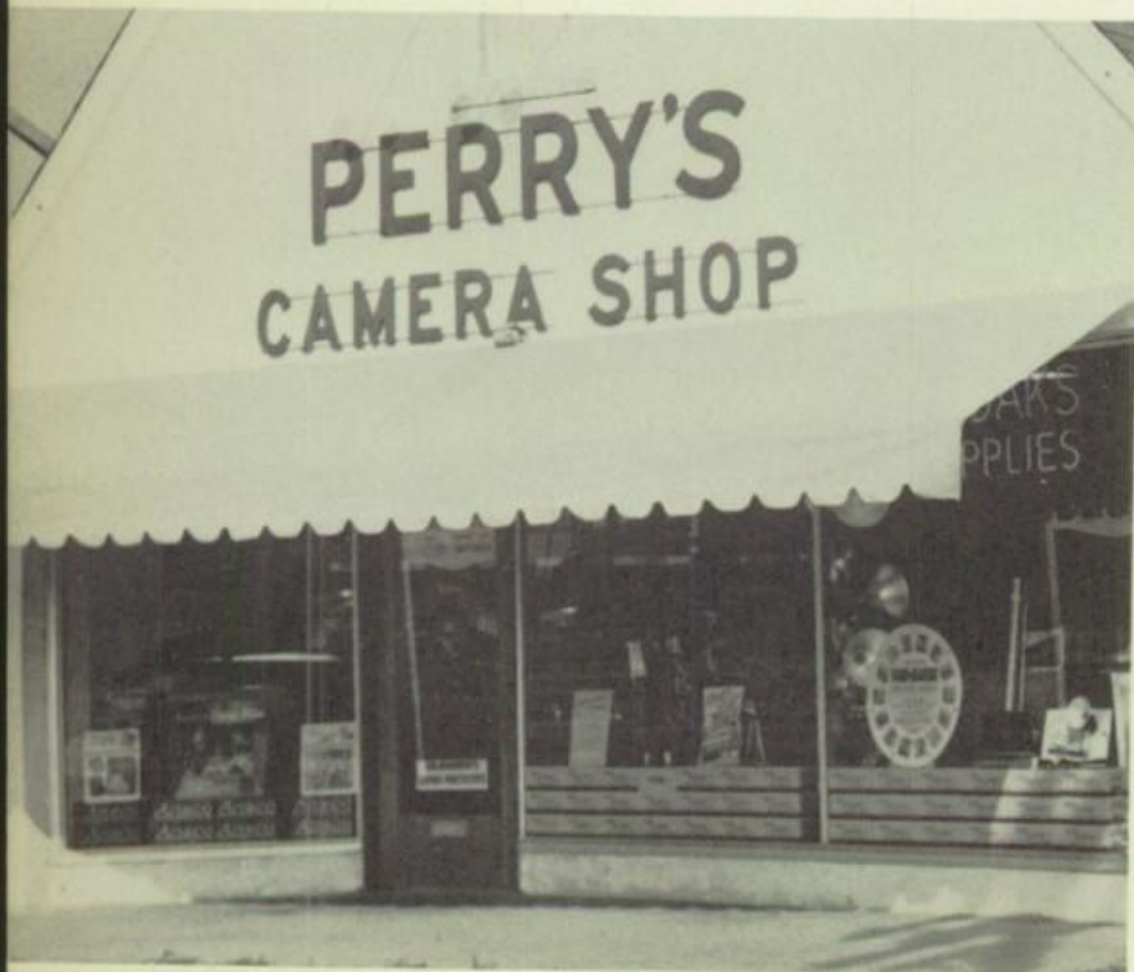

Have you ever wondered what goes on behind those sand-colored walls surrounded by big and mysterious pipes on Cottage Toll Road? Well, here the Monsanto Chemical Company produces hundreds of chemical combinations—sulfur and sulfur products, paint pigments, coke, gas, rubber, and on and on. This company aids Norfolk's industrial development, as it attracts many chemists and laboratory technicians. For those interested in chemical science, perhaps this will someday be the answer to your search for an occupation.

What brings income to our town?

Everybody loves good pictures.

Are you looking for a smart camera to carry on your vacation or just for everyday picture-taking? Your wisest selection will come from Perry's Camera Shop located at Ward's Corner.

With an excellent stock of picture taking (and making) equipment, Perry's has many well known models from which to choose. You and your friends will be delighted with the varied array of camera goods, and once you have been welcomed by Perry's friendly, courteous service you'll want to deal with them permanently. So take a tip now! Drop in at Perry's and take a look around. You'll like what you see!

It is always smiling service that comes from your Miller milkman. I know you've seen those smiling men around school, but if by chance you haven't, just ask Carolyn Temple. As you can see from the picture, the service is pleasant and profitable for all concerned. As Carolyn says, "If you've tried the rest, now try the best."

Going to Bay Drugs has become a pleasant habit for Cathy and Harold. Nor are cosmetics their only interests there. Harold knows that Bay Drugs is the best place to take a girl for a big, luscious banana split.

Hey! Dig that gal in that dreamy coat! Of course Shirley knows that there is only one place to buy such a coat, and that is Sidney's. For the best quality and latest fashions in women's apparel, shop at Sidney's.

Granby goes shopping!

If dredging is in your plans for the future, consult Atkinson Dredging Company located at Great Bridge, Virginia. You can always depend on excellent work and the best possible service. Here Allene Atkinson and Bill Hull approve some of the fine equipment for which the company is noted.

Transferred? Moving? Then why worry about the safety of your most prized possessions? Whether moving or storing, Security Storage and Van Company handles your furniture with the greatest care. Move with ease; call Security Storage and Van Company today.

Everyone loves to wander through the spacious Colonial Stores and find all the well known brands, fresh foods, and unusual types of breads and cookies. Shopping in their clean and well-lighted establishment is indeed a pleasure for those who want the best in a limited amount of time. Large baskets for putting groceries in as you check off items on your memorandum are a great help. So look for the one in your neighborhood. It's waiting to serve you.

Ted Baynes and Nancy Baish look around in Colonial.

Familiar? Most of you should know that face in the photo, as you've seen it often enough in the past year. I've spent so much time at Granby that Mr. Tarrall is thinking about giving me a diploma.

When you girls marry, remember that I take wedding candids; and when you boys become business tycoons, remember that I do commercial photography.

Good luck to all of you and thanks for being swell to me.

Wilbert Will

Looking for wholesome entertainment? Planning a night out? Then enjoy the friendly atmosphere of the modern Visulite and Suburban Theaters. Here you will find the latest features especially for your enjoyment. Just the place to bring that special person on your week-end date!

Everyone wants to be proud of his home, and you can be, if you buy your furniture from Golden's. Golden's specializes in all kinds of furniture from the largest sofa to the smallest table lamp. Moderate prices along with a wide variety of styles of furniture make Golden's your best bet for furnishings. Lynn Archer and Bob Petersen are well pleased with their selection, as you will be; so next time you buy furniture, remember Golden's.

"Gee, I sure do like that sweater, Jimmy." Girard's can fit you for every occasion whether it be for school, dress, or sport. A store which carries nationally known brands is always a favorite shopping place of high school boys.

MAIN AT GRANBY

As their faces show, Dot and Bruce find ordering Swift's ice cream for a big social affair a real pleasure. What could be nicer than to get advice on the amount and flavor to serve from someone who has helped make many parties successful? Not only do they enjoy the rich, creamy flavor of the samples they have been given, but also Swift's long experience in such work. Whenever you have trouble deciding what refreshments to serve, ask for Swift's and watch the pleased expressions of your guests.

You have all seen the familiar advertisement, "Fresh-Up with 7-Up. You like it . . . it likes you." Here are Grace Bradley and Kitty Harper complimenting Mr. Smith on just how good 7-Up really is. Wow, don't the rest of you Granbyites agree that 7-Up is good and good for you?

Where do all those Granby students go after the games? Where else, but to Burrough's, of course!!! There are Dave, Pat and Forest ordering those good ole hamburgers, frosted shakes, and topping the order off with that well known Burrough's fudgecake, 'cause who could resist that friendly atmosphere and quick service? Follow these Granbyites and GO TO BURROUGH'S.

Well, well, why are Diane and Harvey looking at a watch in Kay's Jeweler's? Could be a graduation present, huh? Like many of the students at Granby, they look to Kay's for courteous and dependable service. Join these two at Kay's, located at 144 East Sewells Point Road, won't you?

It's no wonder that Shirley, Bob, and Mary Lou are so interested. Those basketballs that they are looking at are the same type of ball that the Granby Comets use. Northrop's carries a complete line in sports equipment, not just basketballs; so if you are ever in need of sportswear, Northrop's is the place to go.

Bill Hull finds out that Mr. "Mac" McCabe's Texaco station is one of the finest places in town for friendly, good service. Looking on while Mr. "Mac" fills the car up are "Spook" Miles, Marybell Frank, Kenny Kledzik, and Ruth Hofheimer.

Granby students know they can have the best dressed feet in town if they buy at Hofheimer's. I wonder what kind of shoes Stanley Hainer will show to his Granby customer—casuals for school or heels for that big date?

Girls! Have you ever stopped one of your friends to ask her where she bought such a darling suit? And when she said that she made it, you raved about how smart she was and that you wish you could make your own clothes, too? Well, you can. The Singer Sewing Machine Shop will teach you to sew and in no time at all you will be making your own clothes too.

Yum . . . good! What would we do without Mrs. Naas when we want a good cherry pie or luscious chocolate eclairs? This bakery, whose proprietors are Mr. and Mrs. W. W. Harless, is a life saver to many a housewife faced with unexpected company.

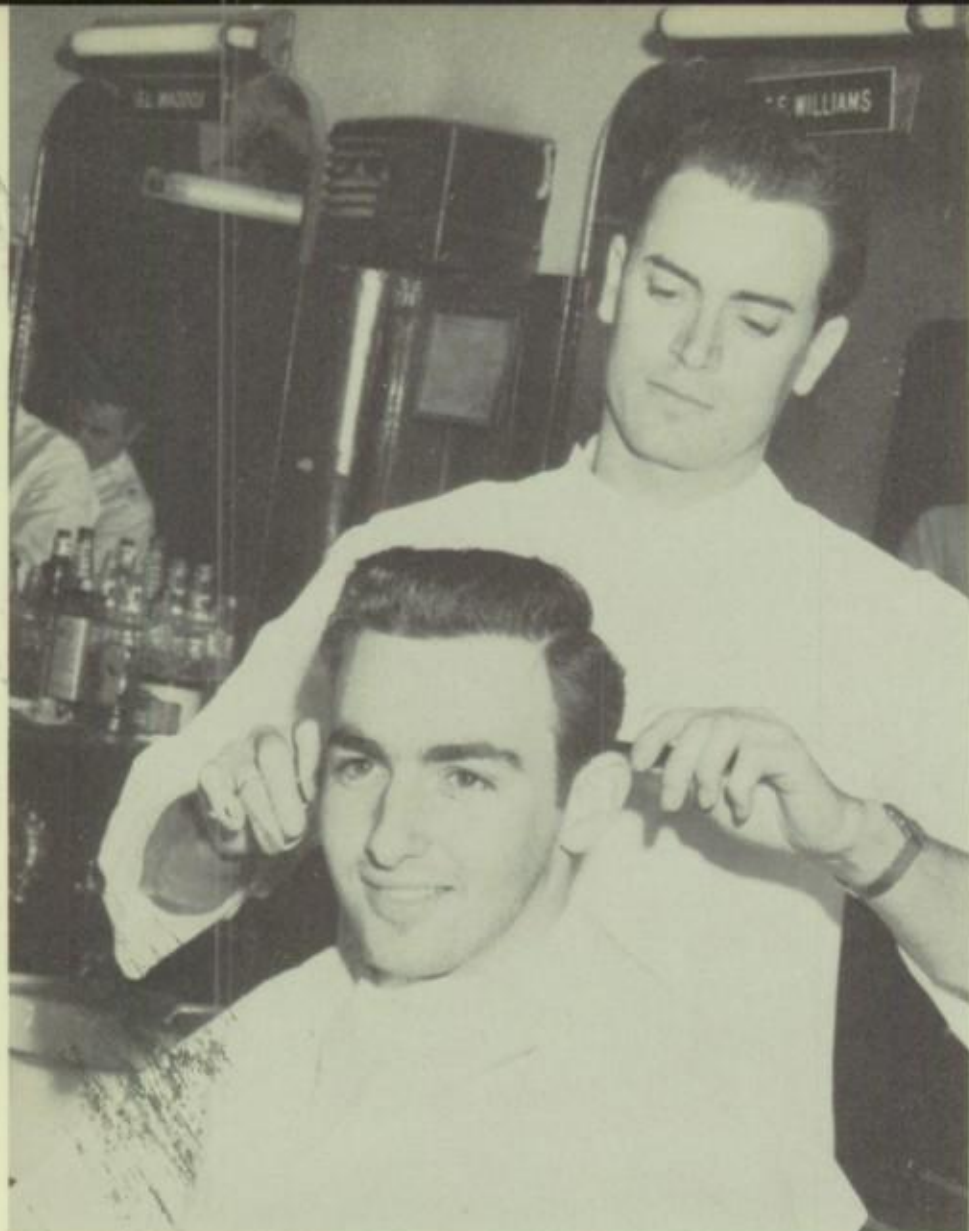

From the smiles on these boys' faces you can tell that they really appreciate the high quality of the Sportsman's Shop's athletic goods. Among the famous lines of equipment that the Sportsman's Shop carries are Spalding, McGregor-Goldsmith, Rawlings, Wright-Ditson and Everlast.
130 W. Plume Street Phone 26100

How many girls would like to be in Carolyn Todd's place as she tries on dresses at Berson's? Here you always find good taste and friends to help you look your best in the attractive clothes you choose.

What! Shoes, too! Yes, Joan Tidwell and Frances Stubbs are discovering that Center Shops successfully please their customers by carrying a full line of department store goods. Located in the heart of the 21st Street business area, they have led the way for night openings in Norfolk.

Do you want well groomed hair? Do you ever wonder why Alex Kyrus is in such popular demand? Well, boys, the big secret lies in the Suburban Barber Shop. If you want more attention from your girl, stop at the Suburban Barber Shop at Ward's Corner.

Ah! Those well dressed Granby Boys! It always seems as if they know a good buy when they see it. This is why The Hub has so many satisfied customers like Allen. And now, boys, you can shop both at Ward's Corner and downtown; so the next time you are on a buying spree GO TO THE HUB.

No matter how much popcorn you eat in the movies, you're always ready for a hamburger and milkshake or pepsi and french fries. John Cope-land and Betty Jane Owen like food any time of the day; and they have found that Schoe's is a good place to go. It's fun to be served by friendly waitresses on skates and watch the disc-jockey work in his glass studio, which has proved a distinguished mark for Schoe's. Enjoy food with friends at Schoe's.

Here's where many Granby students spend their "fresh-up" time after going to a drive-in movie. And where is that, as if you didn't already know? Why it's Gabriel's Drive-in!! You're now looking at Barbara, Mary Beth, and Carlos, who are showing you the way to enjoyment at Gabriel's.

Gosh, I'm always so hungry!

Where does the ice cream stay?

Well, it looks like Porgie and Carolyn are interested in buying a refrigerator. Just look at that happy expression on Porgie's face. Carolyn says he's smiling because he's thinking of all the wonderful food that will go into that spacious refrigerator, but we know that it's because he's pleased at its fine quality. You too will be pleased when you see all the lovely Frigidaire Appliances at Eugene Sargeant and Company located at 127 West Charlotte Street in Norfolk.

about how pretty your house was. Love for me
sometimes too. Be good!

Love you!

Lucy

F.S. Don't let the Richmone boys too
